

DHAEC GED SPC GIBBS CAMPUS

“New Year, New Books! READ Pinellas has awarded me with a grant to update our class library at SPC Gibbs Campus. The grant allowed me to purchase current young adult novels that a popular online merchant has rated as the best of 2017. I believe the more students read for pleasure, the more fluent they become. Care was made in making sure the selection contained a variety of story types. Book plates were created to recognize the contribution of READ Pinellas.”

Submitted by Karen Carr, DHAEC and SPC Gibbs Campus GED Teacher
